

**EXPERT 205
PROCESSOR**

PROJECT _____

ITEM # _____

QUANTITY _____

The **AXIS - EXPERT 205** is a technologically advanced multi-purpose cutter that will satisfy every possible need for the preparation of vegetables and fruits. It has a wide variety of interchangeable cutting disks to cut, slice, grate, granulate, shred, cut, julienne, match-like, strip-like and much more. The EXPERT 205 improved design granulates and shreds quickly and accurately without any alteration of the natural qualities of the product. Now supplied with a powerful 1.0 HP motor making your cutting tasks a whole lot easier.

Incorporated is a special cylindrical feed hopper to facilitate the cutting of long-shaped vegetables. The unit is forged of a high quality anodized polished aluminum which guarantees the finish to be resistant to wear, scratches and shocks.

The hourly production capacity varies from 350 lbs. to 500 lbs. per hour; depending on the type of product being processed. This heavy workload is accomplished by a plate speed of 300 RPM, allowing the product to be cut to gently maintain its cell structure. Collectively, this will result in slower oxidation, therefore less cell damage and longer shelf life with a better end result.

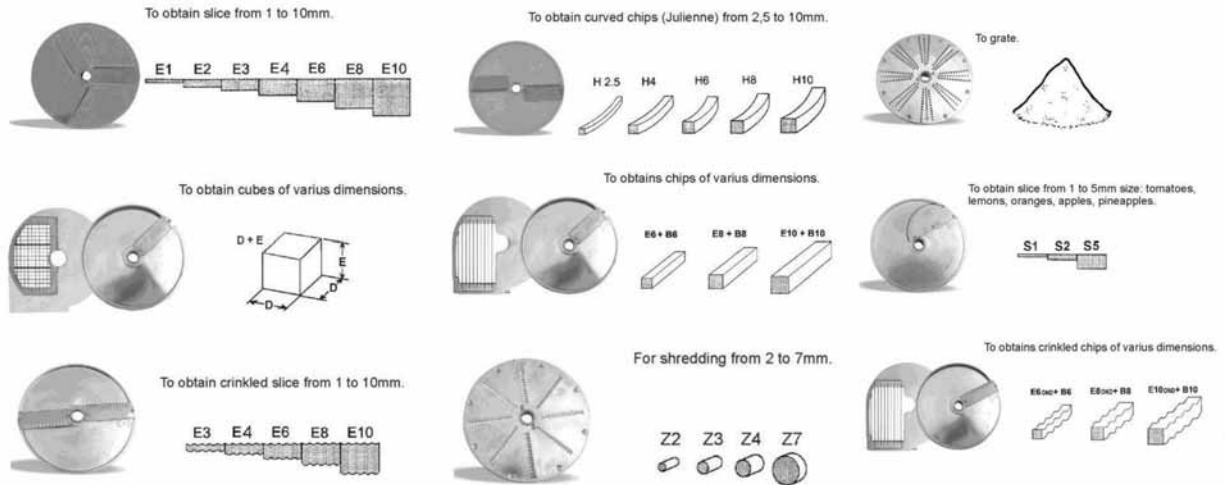

EXPERT 205 PROCESSOR

Model	Motor	Amps	Speeds	Electrical
Expert 205 Processor	1.0 HP	10	300 rpm	110V/60Hz/1Ph
Dimensions (W x D)	Arm Height Down - Up		Shipping Weight	Net weight
11.5" x 18.5"	20.5"	33.5"	52 lbs	49 lbs

- ★ Highest quality anodized aluminum finish
- ★ Seamless housing without crevices to meet NSF approval
- ★ Piezo-touch ON/OFF switches
- ★ Electromagnetic locking cover for maximum safety
- ★ Expert 205 becomes inoperable when hopper is open
- ★ Motor with thermal-overload protection
- ★ Fan cooled ventilated motor of 1.0 HP
- ★ Operational plate speed of 300 RPM
- ★ Can process up to 500 lbs. of fresh produce per hour
- ★ Interchangeable stainless steel cutting discs
- ★ Warranty: One year for parts and labor.
- ★ NSF and ETL Listed

Due to our continued product improvement and striving for engineering excellence, specifications are subject to change without notice
