

AX-S13GA 13" Meat Slicer (Gear - Automatic)

Dual Action Blade
Sharpening System

AX-S13GA - 13" GEAR AUTOMATIC MEAT SLICER

The AXIS S-13GA Gear Automatic slicer is equipped with a .60 HP fan-cooled motor. The flow line design and rounded edges of the polished aluminum body makes your clean up an easy task. In addition to this, the high carbon steel (hard chromed) blade can slice large and heavy pieces of meat effortlessly. The carriage, blade cover and end-grip are removable for easy maintenance. Our precision dual action sharpening provides the operator with perfect grinding and trimming. This slicer is NSF 8-2010 approved, the highest standard in food protection and sanitation requirements today.

STANDARD FEATURES

- Automatic Slicer
- High performance .60 HP motor
